## Teen Tech Week Scavenger Hunt @your Mira Costa Library

Complete each of the questions, then  
turn in your form at the library front

desk for a chance to win an iTunes gift certificate. Be sure to ask Mrs. Lofton  
or one of our library volunteers for help with any of the questions you aren't  
sure how to answer. Contest forms are due by 3 P.M. on Monday, March 14.  
Have fun! ☺

1. Scan this QR code on a smart  
phone to find out about a new  
book coming out April 19. Write  
down the author and title of the  
book:

Author: \_\_\_\_\_

Title: \_\_\_\_\_

Did you know this author is also  
visiting Mira Costa April 19? You  
could meet him. Ask Mrs. Lofton for  
information.

2. Scan this QR code on a smart  
phone or visit the library website  
on a computer and visit the  
"Tech" link. Name one topic of  
interest you see there.

\_\_\_\_\_

Consider making your own avatar to  
share online.

3. Scan this QR code or visit the  
Library Blog on a computer,  
read some of the postings, and  
leave a comment on one of the  
postings. Which posting did you  
comment on?

\_\_\_\_\_

4. Visit the library Facebook page. If you have a Facebook account, please become a fan. Tell the topic of one of the status updates you see there.
- \_\_\_\_\_

5. Visit the library catalog and find a book published in 2010 by Jennifer Donnelly. Write down the title:
- \_\_\_\_\_

**Hint:** You can access the catalog from any computer you are logged into by selecting **Start -> Programs -> Library -> Catalog -> OPAC**. Or, you can use the two Catalog Station computers without logging in.

TEEN TECH WEEK *yalsa* MARCH 6-12, 2011

Hope you had fun!

Bonus  
#1

Want to learn more about technology? Come to the library during lunch on Tuesday, March 8 for a short introduction to [Wordle.net](http://Wordle.net), a fun, easy tool for making word clouds. Come on Friday, March 11, for a short introduction to [Flickr.com](http://Flickr.com), a great site for finding and storing images.
