The Mira Costa High Library Presents **Andrea Cremer** **Author Visit** **& Book Signing**

The Mira Costa High School Library is pleased to announce that Andrea Cremer, a best-selling author of the *Nightshade* series and a History Professor at Macalester College, is visiting our school on January 13, 2012, and will be speaking about her craft during a session in the library from 2 PM – 3 PM. The third installment in the series is being released on January 3. We hope you will take advantage of this opportunity to hear an author speak in a small group session. Students are invited to sign up at the library to attend her talk. They must obtain permission from their Period 6 teachers to attend. The library has some copies of Ms. Cremer's first two books to borrow, but we encourage you to also consider purchasing one or more to enjoy and get autographed. All students who purchase books will have the opportunity to meet Ms. Cremer and have her books signed during the visit. This visit has been arranged for us by **{pages} a bookstore**, a local Manhattan Beach independent book vendor.

A portion of the profits for books purchased at Mira Costa before or during the visit will benefit our library. If you are interested in ordering books in advance, please complete the book order form and return it to the library. You can also purchase books on the day of the visit.

Thanks for your interest and support! For more information, contact Jane Lofton, Teacher Librarian, jlofton@mbusd.org or 310-318-7337 x5048.
